

## Sponsoring the 112th AALS Annual Meeting

**San Diego, CA (January 6, 2018)** – The Froebe Group is a proud two-time sponsor of the Annual Meeting of the Association of American Law Schools (AALS), one of the largest gatherings of law educators in the world. The 112th conference, held at the Marriott Marquis San Diego Marina, featured 250 discussion sessions and 900 speakers.

AALS President, Paul Marcus of William and Mary Law School, addressed attendees on the opening day of the conference. Speaking toward this year's theme, "Access to Justice," Marcus reflected on the "many difficulties we see in our nation as to providing adequate legal representation to all." His affecting remarks highlighted the role of educators in the promotion of and advocacy for justice as a democratic right.

A highly anticipated highlight of the conference was the opportunity to mingle with distinguished law educators. With more than 50 networking events planned, conference rooms were abuzz with lively discussion.

"After closely collaborating all year with the Wolters Kluwer legal education team, meeting them in person at AALS provides us with a wonderful opportunity to create stronger partnerships," commented Kathy Langone, Director of Development. "Being able to mingle with so many of the authors, often for the first time, is also an invaluable way to cultivate successful relationships – a strong tenet of the Froebe Group."

Tom Daughetee, Director of Production, added, "Not only has it been enjoyable to catch up with so many authors that we have the pleasure of working with for WK legal education, but this year many of our discussions have led to some innovative solutions to improve existing practices and operations. We've been able to start dialogues that will inevitably strengthen our long-term relationships."

About the AALS: The Association of American Law Schools (AALS) is a nonprofit association of 179 law schools. Its members enroll most of the nation's law students and produce the majority of the country's lawyers and judges, as well as many of its lawmakers. The mission of AALS is to uphold and advance excellence in legal education. In support of this mission, AALS promotes the core values of excellence in teaching and scholarship, academic freedom, and diversity, including diversity of backgrounds and viewpoints, while seeking to improve the legal profession, to foster justice, and to serve our many communities – local, national, and international.
